Aubrey, et al. v. The New School, 21-Civ-04915 (KMK), United States District Court, Southern District of New York (White Plains Division) ("Aubrey Action")

Dear Judge Karas:

This law firm represents plaintiffs in the Aubrey Action referred to above, one of these two related cases before your Honor. We are writing on behalf of all counsel, and with their consent, to request a slight modification of the briefing schedule on defendant's pending motion to dismiss in both cases. (I am not a filing attorney in the Amable Action, and although this letter applies to both, I am filing it only in the Aubrey Action.) It appears that when we established the current briefing schedule we inadvertently made plaintiffs' opposition papers due for filing on a Saturday (December 18) and defendant's reply papers due for filing on Martin Luther King Day. To clarify this for the record, and subject to the Court's approval, counsel have agreed to modify the schedule so that plaintiffs' opposition papers in both actions will be due to be filed on the Monday following the original Saturday date, that is, December 20, 2021, and defendant's reply papers on the Wednesday following the holiday, that is, January 19, 2021. We would ask your Honor to approve the modification by so ordering this letter, and thank the Court for its courtesies. No party has made a prior request for this relief.

Respectfully

Martin E. Karlinsky
